## ADDITIONAL EXPERIENCE

**Starbucks Team Member at Target**  
Nashville, TN – Sep 2011 - Jun 2013

**Assistant to the Dean of Academic Affairs at CUNY Kingsborough**  
Brooklyn, NY – Jul 2007 - Jul 2008

## ENGINEERING EXPERIENCE

**Web Development Immersive at General Assembly**  
New York, NY – Feb 2018 - May 2018

- Built fluency in full-stack web development through completing an intensive three-month program focused on common best practices in object-oriented programming, MVC frameworks, data modeling, and test-driven development
- Appointed as project manager in a team of developers to build a flashcard-style study app from concept to deployment using React, Express, Node, and Postgres
- Created a JavaScript ES6 implementation of the strategy game *Mastermind* with difficulty levels and *a11y* accessibility compliance
- Drew from my experience to build an app for managers to plan hours for their teams on a per-project basis using vanilla JS, Express, EJS, and Postgres

## OPERATIONS AND MANAGEMENT EXPERIENCE

**Flagship Store Manager and Catering Director at FIKA**  
New York, NY – Oct 2015 - Feb 2018

- Established and implemented company-wide distribution, food safety, operations and training plans
- Promoted to Store Manager one month after hire, later promoted to Flagship Manager, took on additional role of Catering Director

**Shift Supervisor at Starbucks**  
New York, NY – Aug 2013 - Oct 2015

- Initiated self-development and was promoted to supervisor three months after hire, took on role as store lead of onboarding and training
- Consistently led the district in surpassing sales and waste reduction targets
